Dear Mr Rajan Kaloo,

Thank for your invitation on elcecho" If you have pictures or links that you wish to share, or perhaps you want to ask for something specific to be added, please email:

As a business development manager, I am sure that you would know the need for all business and services to operate in an atmosphere of transparency.

As a client of your business, could you please disclose the following:

- a) formal qualifications of all teachers in elc;
- b) relevant experience in the British National Curriculum;
- c) relevant experience in IPC.

I look forward to full disclosure on your website. Thank you.

Mathew Thomas Philip

Please note, names, qualifications, and experience of academic staff are the domain of the Principal and the Heads of School. These are not matters for the Business Development Manager. These details are not for public record or public posting. But this does **NOT** prevent any parent who wishes to see them from doing so. They can be viewed by appointment with Mrs. Kaloo.
